

OCTAVE Media furniture hits a high note with the Octave consoles. Unique perforated steel doors permit sound to pass through and provide remote control accessibility, yet contents remain neatly out of sight. Providing a full acoustic experience and ultimate functionality, Octave looks as good as it sounds.

OCTAVE™

DESIGN **MATTHEW WEATHERLY**

- Perforated metal doors provide remote control access and acoustic transparency
- Designed with media in mind, features include generous cable management, flow-through ventilation
- Hidden wheels & removable back panels provide easy access to components and connections
